

## Congressional Internships

Congressional offices offer internships in both Washington D.C. and in New Mexico. Most internships are unpaid. Students wishing to receive academic credit should check with their college/university programs for requirements.

Requirements for Congressional offices vary, however, they will most likely request a resume, transcript and conduct an interview.

### **Senator Tom Udall**

Offer Spring, Fall and two summer sessions.

Students wishing to receive academic credit should check with their college/university programs for requirements

Most internships are unpaid

Summer intern may be eligible for a stipend
