

2022 Legislative Session

Final Report

Prepared by the NMSU Office of Government and Community Relations

March 11, 2022

BE BOLD. Shape the Future.

New Mexico State University

The legislature met for thirty days and completed action on bills on February 17, 2022, at noon. During a thirty-day session only fiscal-related matters are germane unless the Governor provides a message on a bill that is not fiscal-related. The Governor had until March 9, 2022, to sign, veto, or line-item veto bills. All bills that are not acted upon by March 9, 2022, are pocket vetoed.

This year was an unprecedented year in terms of overall funding revenues. The December 2021 Consensus Revenue Estimate included a total \$1.599 billion in new money for FY23. The report also estimated ending balances of \$3.3 billion or 43.9% percent of recurring revenues for FY22.

The legislature passed and the Governor acted upon four funding bills:

- [HB2 – General Appropriation Act of 2022 \(Partial Veto, Ch. 57, Laws 2022\)](#)
