

2019 Legislative Session Final Report
Prepared by Ricardo Rel, Office of Government Relations
April 18, 2019

During a 60-day session both fiscal and policy related matters are germane to the session. Next year will be a 30-day session which only fiscal related matters are germane unless the Governor puts them on the call. Below is a preliminary summary of the post session results for the 2019 legislative session for the general appropriations, capital outlay, and policy related bills.

For FY20, the legislature passed three general appropriation bills. They passed HB2 which is the general appropriations bill and two other bills HB548 and SB536 which are generally referred to as HB2 junior bills. The legislature passed, and the Governor approved \$18.5 million in recurring and non-recurring funding with the enactment of all 3 appropriation bills. Details of all three bills are included below. Please note that some projects may have been funded in two to three of the bills and are summarized on page 14. The Department of Finance and Administration released the scoring of the recurring status of the HB2 Junior Bills and is summarized on page 5.

In addition to the general appropriation bills, SB280 was enacted and provides funding for capital related projects. A total of \$29.3 million was enacted for several New Mexico State University related projects (see pages 19-25).

A total of \$47.8 million was enacted for NMSU in both general appropriations and capital outlay.

Other appropriations in HB2 that impact higher education include:

- \$20 million to the higher education department to replenish the college affordability endowment fund (Section 5-109) and \$5 million in Section 5-34 contingent upon available funds as determined by the August 2019 revenue estimate;
- \$1 million for the higher education department for the Centers of Excellence (NMSU is included for the Center of Agriculture) (Section 4J);
- \$3 million for a pilot adult education services for students involved in the criminal justice system;

- \$138,000 for workforce development programs at community colleges that primarily educate and retrain displaced workers;
- \$10 Million to the College of Education Affordability Act (HB 275, Chapter 193) (Section 12-7 of HB2).

NMSU requested two policy related initiatives (HB237 – Extend University Police Officer Jurisdiction and SB314 – NMSU Campus in San Luis Potosi, Mexico) and both were signed by the Governor. Other enacted legislation includes:

- HB7 – Higher Education Centers of Excellence (Chapter 60)
- HB127 – College Affordability Act Changes (Chapter 56)
- HB275 – College of Education Affordability (Chapter 193)
- HB360 – Educational Retirement Changes (Chapter 258)
- HB420 – School Advanced Placement Policy and Reporting (Chapter 139)
- SB157 – Sick Leave for Educational Retirement (Chapter 31)
- SB447 – Engineering and Surveying Scholarship and License (Chapter 220)
- SB664 – Educational Benefits to Spouses/Domestic Partner (Chapter 173)

A list of all enacted bills impacting higher education can be found on pages 27 - 35.

Line Item Veto Status of General Appropriation and Capital Outlay Bills

The Governor kept all funding items intact for items specific to New Mexico State University, however she did veto some language that was associated with some of the items for the various general appropriation and capital outlay bills as summarized below.

HB2 (GENERAL APPROPRIATIONS) LINE ITEM VETOES

Department of Finance and Administration Scoring of HB2 Junior Bills

The Department of Finance and Administration (DFA) is the final authority in scoring the recurring status of funding included in the HB2 Junior Bills. A report was released by the Higher Education Department that provides the recurring status of the higher education related projects. The recurring status changed for several higher education projects including NMSU projects. The DFA reclassified 16 projects totaling \$1.4 million from recurring to a non-recurring status and are summarized below.
