

FINAL SUMMARY OF THE 2020 LEGISLATIVE SESSION

March 11, 2020

The legislative session ended at noon on February 20 and completed action on all finance-related bills. On March 11, the Governor signed the three bills, with line-item vetoes in HB349 (Capital Outlay Bill). There were no line-item vetoes to New Mexico State University-related items in HB2 (General Appropriation Bill), with the exception of language related to the Opportunity Scholarship (detailed below).

The general fund and capital outlay bills signed by the Governor include the following for the NMSU System:

- SFC CS/ HB2 (General Appropriation Bill) - \$216.6 million for the NMSU System, an increase of \$6.6 million. **There were no line item vetoes for NMSU.**
- HTRC CS/ HB349 (STB/GF Capital Outlay Bill) – The bill passed by the legislature had included a total of \$8.6 million for the NMSU System and \$439,350 for the Soil and Water Conservation Districts which are administratively attached to NMDA. **The Governor vetoed a total of five projects in the bill totaling \$2,832,000 for the NMSU system. All of the projects vetoed were funded with General Fund money. The final bill includes \$5,725,000 for NMSU. The Governor noted in her message that the projects vetoed after Section 49 of the bill were funded through the General Fund and were vetoed for fiscal reasons.**
- SFC CS/ SB207 (GO Bond Bill) – \$30.4 million for the NMSU system, **no line item vetoes.**

SFC CS/ HB2 (General Appropriations Bill)

SECTION 4 APPROPRIATIONS (RECURRING)

The legislature adopted the Senate Finance Committee substitute for HB2. The legislative-passed bill includes a total of \$216,571,200 for the NMSU system, an increase of \$6.6 million or 3.2 percent above the FY20 level. It includes \$162.1 million for I&G for the NMSU system, an increase of \$3.3 million or 2.1 percent. The I&G funding formula includes \$13,126,400 (2.1%) in new money and 0% redistribution. It also includes \$2.0 million in Dual Credit funding that is distributed to comprehensive and 2-year institutions.

There is a total of \$54.5 million for Non-I&G related programs, an increase of \$3.4 million or 6.6% above the FY20 funding level.

In addition to the higher education related funding, the bill includes \$200,000 in the Department of Health Developmental Disabilities Support Budget for the College of Education Autism Program.

- **To the Department of Health (5) Developmental disabilities support:** The general fund appropriation to the developmental disabilities support program of the department of health in the contractual services category includes two hundred thousand dollars (\$200,000) for the

establishment and operations of a regional office on autism spectrum disorder at New Mexico state university.

Opportunity Scholarship

A total of \$12.0 million in recurring funding is included in HB2 for the Opportunity Scholarship. Also included is \$5.0 million in non-recurring funding in Section 5 of HB2 for a total of \$17.0 million for FY21. The bill also includes \$9.7 million for the lottery scholarship which will help offset some of the costs for the opportunity scholarship.

Bill language is included in the Senate Finance Committee Substitute for HB2 for the opportunity scholarship in lieu of the HEC committee substitute for HB14 and SB323. The following is a summary of criteria as it relates to the opportunity scholarship (**Strike-throughs denote line item vetoes by Governor**).

- For students attending a public postsecondary educational institution or tribal college
- Shall prioritize financial aid based on need to undergraduate, credential-seeking students who are enrolled in a two-year academic program
- Who have completed the free application for financial student aid or another form of income verification
- Who are adults or eligible for a lottery scholarship
- Who are enrolled full-time taking least twelve credit hours with a cumulative grade point average of 2.5 on a 4.0 scale
- Shall provide financial aid to cover unmet tuition and fee costs of students after state ~~lottery tuition scholarships, other financial aid, institutional financial aid, and private financial aid is used,~~ excluding federal Pell grant awards.

The line item veto excludes federal financial aid from the calculation of the Opportunity Scholarship award.

SECTION 5 – SPECIAL APPROPRIATIONS (NON-RECURRING)

Item 48 – Appropriates \$10.0 million to the Economic Development Department which includes \$500,000 to NMSU and \$500,000 for NM Tech for education retraining workers currently or formerly employed by an operating coal-fueled electricity generating facility that is owned by a non-investor-owned electric utility and has been or is in the process of being retired. The language also includes contingency language.

Item 128 - \$500,000 to the Public Education Department for the “Grow Your Own” Teachers fund.

Item 135 - \$20 million is appropriated to the Higher Education Department

- \$9.7 million for the legislative lottery tuition fund
- \$5.0 million for the opportunity scholarship

- \$300,000 for a collaborative projects between the higher education department and the public higher education institutions to increase student completion of the free application for federal student aid.

Item 138 - \$1.8 million to NMDA for the soil and water conservation commission for a pilot agricultural and natural resources grant program.

SECTION 6 – SUPPLEMENTAL AND DEFICIENCY APPROPRIATIONS (NON-RECURRING)

Item 34 – \$1.1 million to the Higher Education Department for the Teacher Loan repayment program. The other state funds is from the teacher loan repayment fund.

Item 35 - \$2.2 million for the teacher preparation affordability scholarship fund.

SECTION 7 – INFORMATION TECHNOLOGY (NON-RECURRING)

Item 48 - \$274,000 to the Higher Education Department for the initiation and planning phase for a longitudinal data system.

SECTION 8A(5) – COMPENSATION APPROPRIATIONS

- Thirty-three million thirty-one thousand seven hundred dollars (\$33,031,700) to the higher education department to provide faculty and staff of two-year and four-year public postsecondary educational institutions, New Mexico military institute, New Mexico school for the blind and visually impaired and New Mexico school for the deaf with an average salary increase of four percent.

Section 4 of HB2 includes language under the Higher Education Department that is associated with compensation:

- *The secretary of higher education shall not approve the operating budget of a higher education institution or special school that does not prioritize salary increases for faculty and staff or that disproportionately allocates salary increases for high-level administrators, provided that higher education institutions and special schools are encouraged to allocate average salary increase for all institution staff based upon performance and merit. The higher education institutions and special schools shall also submit a compensation salary plan with the operating budget to the legislative finance committee, the department of finance and administration and the higher education department.*
