SB377 General Appropriations and Expenditures

The Senate Finance Committee substitute for SB 377, as amended by the House Appropriations Committee, passed the legislature on March 18. This bill is commonly referred to as HB2 Junior. The bill includes a total of \$2,375,200 specifically for New Mexico State University System and an additional \$425,000 in other state agencies that also relate to New Mexico State University. See attached tables on pages 10-13 for a summary of the items included in SB377 and bill language.

The bill includes \$1,117,600 in recurring funds and \$1,332,600 in non-recurring funds for a total of \$2,450,200 for the NMSU System. The Department of Finance and Administration will make the final determination how the funds are scored as recurring or non-recurring. The non-recurring funds are available in FY21 and FY22 while the recurring funds are available for FY22. All unexpended and unencumbered funds revert to the general fund. This bill is subject to a line-item-veto by the Governor.

The bill includes \$425,000 for other state agencies that also impact New Mexico State University as shown on the attached table.

- The \$100,000 in funding within the Energy, Minerals, and Natural Resources (EMNRD) is subject to the passage of HB262 (Energy Storage System Tax Credit). NMSU would create the app to track the storage system income tax credit that is included in the bill.
- Includes \$100,000 to the Taxation and Revenue Department to study the effects of eliminating the state income tax on military retirement pay and is also associated with HB295 (Study Effects of No Tax on Military Retirement) which requests the Agriculture Economics Department to complete the study.
- \$275,000 is appropriated to the Human Services Department to develop and implement a comprehensive plan to address hunger and food insecurity and strengthen food systems in the state in partnership with other agencies and stakeholders. NM Department of Agriculture is a participant.

The table on page 10 shows the combined impact of the projects included in SB377 and HB2. HB2 and SB377 includes \$8,739,700 in new recurring and non-recurring funding.
